1. On 29 September [ ] met with [ ] analyst, to discuss the training requested for OSR analysts. [ ] suggested that we try to arrange the first instruction at the US Army Armor School at Ft. Knox. He emphasized that the analysts would like to participate in the training, rather than receive formal lectures and demonstrations. All of the analysts have been in the military service, but not recently. Their objective is to be able to provide more sophisticated analysis of information which they receive from defectors and other sources. We have prepared for the DTR's signature a letter to Ft. Knox if they can arrange such training for us.

2. More titles of research papers to be done by Agency students at Senior Service Schools have been submitted for clearances:

a. From Armed Forces Staff College: [ ],  
 IAS -- To determine those non-economic factors which would most improve the retention rate of reserve junior line officers serving in the surface Navy; and Donald [ ] CRS - To determine whether the content of the guest lectures presented during Service Week contributes to the mission of AFSC.
